**STREAMLINING THE LEASE-END, RENTAL-END
TRANSPORTATION DROP-OFF
VEHICLE INSPECTION PROCESS BENEFITS
YOUR CUSTOMERS AND YOUR BUSINESS.
IT'S A WIN-WIN**

INSTANT BODY DAMAGE ESTIMATION

Our robust estimation process saves your time and money and help you to ascertain the value of the used vehicle when they are returned at the end of the lease period. Minimize customer anxiety surrounding excess wear and use charges.

REDUCE YOUR ANNUAL INSPECTION COSTS

Streamlining the lease-end vehicle inspection process benefits lessees and your business. It's a win-win. With a seamless implementation process, you will:

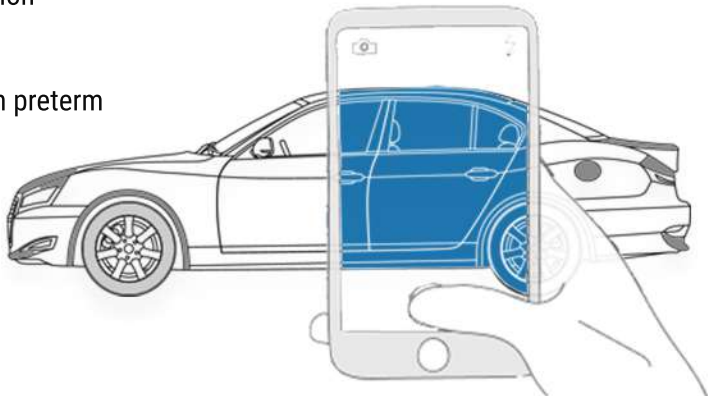

Increase pre-term inspection completion rates

Lower overall spending on preterm and dealer inspections

Have quicker access to inspection results

IMPROVE THE LESSEE EXPERIENCE

Allowing owners to complete vehicle inspections on their own time leads to improved customer satisfaction and reduce the amount of phone calls, inquiries and confusion surrounding the turn-in process.
